

U.S. CENSUS
BUREAU TRAINING
NOVEMBER 12, 2014

Accessing, Understanding, and Using Census Data
Census Data in Grant Writing

Location:
**Kent County
Administrative
Complex**
Room 220
555 Bay Road
Dover, DE 19901

Understanding and Using Census Data. This is course geared for those who have basic knowledge of the U.S. Census Bureau and would like to know how to navigate and access the more prominent programs of the Census Bureau. This three (3) hour course will include a brief introduction to the U.S. Census Bureau, how to navigate the American FactFinder, understanding Census Geography, and an introduction to the American Community Survey and the Economic Census and other Economic programs.

Census Data in Grant Writing. This course is geared for those who have a basic knowledge of the U.S. Census Bureau, who at some point might be writing a grant and utilizing Census data. This three (3) hour course will practice accessing statistics from the decennial census, the American Community Survey and economic information from American FactFinder in order to complete a grant scenario.

Space is limited! First come, First served! Register by November 5, 2014!

For Questions, call Mary Ellen Gray at (302) 744-2466.

Sign up for 1 or both classes. *There is no charge for the classes*
