

Questions and Answers for 10/6/06

FOR THE RFP FOR STATEWIDE ORTHORECTIFIED IMAGERY, ELEVATION DATA, AND LAND USE/LAND COVER DATA FOR THE STATE OF DELAWARE

1. Section II, Paragraph B, Page 3

Text: This data set shall be based on interpretation of the 2007 Aerial photography and shall be designed as an update of the 2002 land use/land cover data set.

- a. Question: Please specify more completely the final product desired e.g. 2007 land use/land cover only, 2002-2007 land use/land cover change or both items.

Answer: The final product should be a complete 2007 Land Use/Land Cover data set for the state of Delaware that also serves as an update to the 2002 data set.

- b. Question: Will the 2002 ortho imagery be available for reference?

Answer: Yes. The 2002 imagery is available as an image service on the Delaware DataMIL (datamil.delaware.gov). A high-resolution version of the imagery is available as well, but bidders will need to complete the Acceptable Use Agreement found at www.state.de.us/planning/info/ortho_acceptable_use.shtml to gain access to this data.
