RE: Town of Kenton Comprehensive Plan PLUS Response Letter

Dear Ms. Holland:

Thank you for the letter of August 24, 2016 summarizing the comments received by your office resulting from the July 27, 2016 PLUS review meeting for the Town of Kenton Draft Comprehensive Plan. The town has discussed the comments and on October 10, 2016 met and approved the following changes that either clarify or further explain issues presented in the Plan. These changes are summarized in the subsequent pages of this letter and are organized according to the agency comments which the change is meant to address. Additionally, a pdf copy of the updated plan has been sent to OSPC by IPA.

The Town looks forward to continuing to work with your office to accomplish an adopted and certified plan for the Town of Kenton.

Regards,

Howard Coleman, Mayor
Town of Kenton
