General Plan Approval Process

- Step 1:** Draft prepared by local government.
- Step 2:** Planning Commission and/or Legislative Body approves to send to PLUS at the time the plan is released for public review.
- Step 3:** PLUS meeting, application submitted by 1st business day of the month for that month's meeting.
- Step 4:** State comments submitted to local government within 20 business days of meeting.
- Step 5:** Local government replies to state comments in writing and submits revised plan to Office of State Planning Coordination (O S P C) for review.
- Step 6:** OSPC requires 20 working days to reply to revised plan. State sends a letter accepting changes or noting discussion items.
- Step 7:** Once you receive the Office of State Planning Coordination letter stating that all certification items have been addressed, your Planning Commission and Council should adopt the plan pending State certification. We strongly recommend that your Council adopt the plan by ordinance. The ordinance should be written so that the plan will go into effect upon receipt of the certification letter from the Governor.
- Step 8:** Send our office a copy of the ordinance (or other documentation) that formally adopts your plan along with an electronic or paper copy of the final plan. We will forward these materials to the Governor for consideration. At the discretion of the Governor a certification letter will be issued to your town. The plan is effective on the date of adoption.
- Step 9:** Once you receive your certification letter, please forward two (2) bound paper copies and one electronic copy of your plan to our office for our records. It is suggested that you incorporate a copy of the State's PLUS letter and the Governor's certification letter into the final comprehensive plan document.
