

DGDC Meeting Minutes August 10, 2023

Welcome & Introductions

Jason Vogl started the meeting at 9:30 am. He welcomed everyone to the meeting and introductions for those attending in person were made.

February 9, 2023 - Meeting Minutes

A Motion was made by Lillian Wang to approve the minutes and seconded by Mike Townshend.

Geospatial Education Committee

Sharon Ungerer

- Geo Education website is updated, and Calendar is linked on the site.

- There is new content and highlights on the Geo education site.

- Green jobs integration program is growing and proving to be a great program for internships.

Kym Kelley

- GIS day is on November 14th and the committee is still looking for sponsorships and volunteers.

FirstMap Update & G-TAC

Kim Cloud

- Continuing to work on Patches.

- Moving onto 11.1 upgrade but will need to change everything that has been previously published to ArcMap to Arc Pro

- Upgraded license manager to 2022.1 now supports pro 3.X and Arc 10.8.2.

- EA was complete effective July 1st and will last 3 years.

- Working to assign new products like site scan and image analyst. If you are interested in more info let Kim know

- Working on chargeback model and summaries for current usage. Aiming to get everyone their estimates by fall.

- Arc GIS monitor is installed, and the LI team is working to configure it for more effectiveness.

Mike Townshend

- ArcGIS for office 365 now has power automate connector.

- ArcGIS for excel is anticipated to be available soon to install.

- Share point connector has been approved but not yet rolled out.

Agenda

Name	Organization
Arthur Walker	NRCS
Bob Pliszka	
Brian Laws	Newark
Brittany Haywood	DE Sea Grant
Colton Phillips	DeIDOT
Daniel Warner	DGS
Dawn McCall	CPA Survey
Deborah Sullivan	DTI

George Houck	Kent County
George Yocher	DHSS
Gina Marinacci	DNREC
Helen Tripp	
Jacqueline Nova	ESRI
James Puddicombe	City of Milford
Jay Hodny	Newark
Jenifer Anderson-Reno	DOS
JKrauss	
John Inkster	DNREC
Kathleen Bergin	DNREC
Kim Cloud	DTI
Kyle Satterfield	KC
Kym Kelly	DTI
Lenny Massotti	
Lilian Wang	UD DGS
Lori Brown	DNREC
Madeline Belknap	UD DGS
Malcolm Jacob	Dover/Kent MPO
Mark Biddle	DNREC
Mark Prettyman	DTI
Michael Blahut	MDOT
Mike Krumrine	DNREC
Mike Townshend	DTI
Mollie Yacano	DNREC
Morgan McGee-Solomon	DNREC
Olena Smith	UD
RFMadanat	
Ryan Hollingshead	Delaware
Samantha Bulkilvish	OSPC
Seth Van Aken	ESRI
Sharon Ungerer	DTI
Sigrid Smith	DSU
SrA Bailor	USAF
Supriya Khadke	
Thomas Krumrine	DNREC
Thomas Matich	DRWA
tmiller	

- ArcGIS for TEAMS is available and has been tested by LI with a few noticeable glitches.

Mark Prettyman

- Looking into cloud storage for drone imagery specifically. So far, they are looking into Azure or Amazon cloud storage.

Presentations

Mike Townshend – Introduction to ArcGIS Notebooks – State of Delaware Location Intelligence

Jacqueline Nova and Seth Van Aken– ArcGIS Velocity – ESRI

2022 Imagery and LULC Update

Jason Vogl

- LULC pilot was sent over for review and approved. The vendor is currently working full steam ahead toward an October/November delivery target.

Kim Cloud

- DTI Has enough funding for a 2024 Imagery Acquisition and is looking into collecting that data.
- DTI is also interested in hearing what other derivatives agencies are interested in.

Federal Updates

- **Lidar**

Eliza Gross

- 100% of the data was acquired by April with one flight line needing to be flown due to some issues.
- Ground Control surveys are complete.
- Target completion data will be July 2024.
- NHD Is being phased out, USGS is working on a static version.
- BAA is being replaced with the Data collaboration announcement. This will be like the BAA but will be less paperwork. It will also include derived hydrography as part of the data acquisition that agencies and states can request through this venue.

- **USGS**

Arthur Walker

- No Updates

Academia Update

- **Delaware State University:**

No update

- **Delaware Technical Community College**

No update

- **University of Delaware**

Olena Smith

- UD coffee hour is on August 22nd. Noemi Mendez will be attending and discussing Census geography in person.
- The UD semester is about to start on August 29th.
- UD GIS day will be on Wednesday November 8th. Will include breakfast, Lunch and some exciting ESRI presentations as well as other presentations to be determined.
- Mapathon will be on the actual GIS day of November 15th.

Open Comment Period

Debbie Sullivan

- EDUG will be on October 10th at DDA. Please reach out to Debbie or Thomas Matich for presentations.

Kim Cloud

- How are Kent County Services doing? Currently the Statewide parcel dataset that utilizes Kent County data is not updated.
- Sussex County is going through a re-host of all their services.

Sharon Ungerer

- DNREC is moving forward on their Environmental Justice work, hoping to have something for review in the fall.

Next meeting:

- November 9th, 2023

Adjournment

George Houck – Motion to adjourn.

Thomas Matich – Seconded the motion to adjourn.
